WE ARRIVED

TO THE WHITE PARADISE

*From the Sellraintal to the Kühtai
on above 2,000 m. Feel the sensual
power of nature – in the wordcup
location Kühtai. Relax and enjoy
one of Austria's best snow sites.
In a skie area, which is located
directly in front of your hotel doors,
with a family offer for unforgettable
holiday memories.*

OUR SNOW: IT CAME AND STAYED

Every look you take hits the white of the snow, every swing comes from the heart and every moment here in Kühtai can be unforgettable. With its small but beautiful hostels, the welcoming Sellraintal leads to the spectacular panorama of the Kühtai ski resort for connoisseurs, where impressive powder solpes, relaxed family ski trails and the KPark await all freestylers. All you have to do now is to enjoy the winter holiday of your life.

Wherever you look, in Kühtai you will find slopes going into every direction, right in front of your door step. And the snow is guaranteed – because slopes, which are located above 2,000 m, remain white during the whole winter.

Above the white summit, the world below and the adventure ahead of you. The first swing in the soft powder snow, the air as clear as in no other place. You probably will talk about this amazing day your whole life.

An endless, white cloth lies over the mountains. Rocks, alpine cabins and a few tree peaks protrude as a greeting. Being part of nature in Kühtai is breathtaking and unforgettably relaxing at the same time.

OUR FIRST LOVE

A SNOW- FLAKE

*Together in Kühtai –
Sellraintal: That means
peace, joy and togeth-
erness. Because when I
see my girlfriend waving
on the slopes – from the
hotel room – then I feel
exactly how close togeth-
er we are here.*

THE FAMILY SKI AREA KÜHTAI

When the slopes begin at the front door, the children are not far from the winter joy. And when the selection of perfectly maintained family slopes is as great as in Kühtai, then everyone will ski safely and with extra fun! There's no better allround-fun-package to be found: A BeginnerPark for children, tobogganing, ice-skating, winter hiking and cross-country skiing.

We offer classes for adults and children where everyone can learn skiing and snowboarding. During the FAMILY-HIT-WEEKS the classes are even for free (more on page 28)!

GET BETTER EVERY DAY

You are at the right address when it comes to finding ski instructors in Kühtai. No matter whether you only want to start skiing or snowboarding, or already have experience (whether children or adults), everyone will be optimally taken care of here. Our guests will be accompanied and advised from the first turn up to perfect technique. Even those who have not been on skis or a snowboard for a long time can brush up on their skills again in the ski school. So everyone is perfectly prepared for wonderful days of skiing in Kühtai!

And the small ones without ski do not come off worst either. Looked after well, the “snow mice” have plenty to experience.

A la carte learning! From carving to snowboarding – Kühtai’s ski schools can put together the right “snow package” for everyone. Have we whetted your appetite yet?

The top trained ski school team in Kühtai – Sellraining offers an excellent programme of courses for the right turns on the runs:

- ★ 1. Schi- und Snowboardschule Kühtai
- ★ FOLLOW ME Ski- & Bergsportschule
- ★ GerberSports
- ★ Skischule Top 2000 Kühtai

MAKE IT YOUR OWN WORLDCUP

The whole **360-degree Kühtai winter sport area** is just in front of your hotel door. **11 lifts, two ski areas, one ticket.** At **2,000 m** above sea level the snow remains – we guarantee it. The mountain peaks above **2,500 m** call for the greatest adventures. And in between you'll find cross-country ski tracks, toboggan runs, illuminated slopes, KPark and the many winter hiking trails – everything the heart of a winter sports enthusiast desires.

Skiing up to the hotel door, we guarantee it until the end of April. Far from noise, stress and hustle-bustle, away from loud party locations and reckless skiers and snowboarders. Also, you can expect modern lifts and mountain railways with a **capacity of 18,500 persons** per hour – forget about long waiting periods! Slopes of a total of **80 km**, from easy to difficult, and more than **2,200 guest beds** in our hotels. You will see, stress will not accrue at all.

11 km of cross-country ski runs, 2.5 km of toboggan runs and twice a week there will be a **night skiing** event – where the night becomes ski day. And if you just want to trudge with snow shoes over the snowy mountains – no problem.

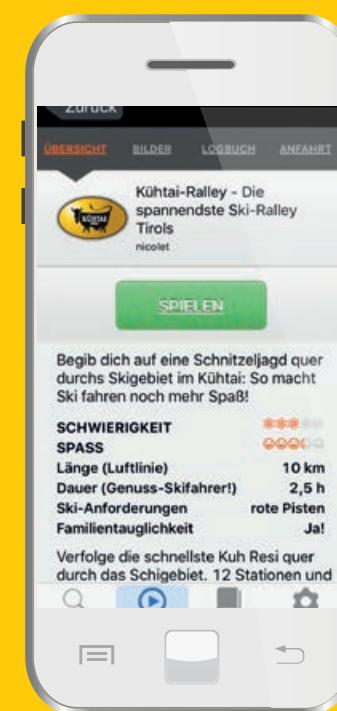

The hotspot of all freeriders and stunt-specialists: The **KPark** along with the **KidsPark** for all beginners and children.

SKIING FEVER FOR NIGHT OWLS

A small refreshment, a warming Jagertee at "Zum Kaiser Maximilian" hut – than out on to the run with view down to nocturnal Kühtai. Fantastic! The night turns to day – experience the very special atmosphere of night skiing in Kühtai! A very special experience is available every Wednesday and Saturday from 7:30 to 10:00 pm, when the HochAlterBahn and Start-Bahn cableways lead directly to the light-flooded piste.

EVERY WEDNESDAY AND SATURDAY FROM 7:30 TO 10:00 PM

THE PEACE BEFORE THE KPARK

Relaxing – all nice and fine. But at the KPark it really gets down to business. Perfectly shaped obstacles, rails and kickers for all freeriders. The superpipe is 6,5 m high and 160 m long, the cross-track with rails and double-kicker makes big impression – not just around snow. The KPark crew and the Air + Style team are constantly developing the KPark. Beginners and children have the most fun at the KidsPark – on 4 obstacles and 4 kickers.

Towards the sun! When playing with gravity, snowboarders explore their limits in the KPark.

Boxing, rails and kickers: In the KidsPark, beginners and kids rise above themselves!

AT THE PULSE

OF THE SLOPE

Winter experiences all around. You step out of the hotel door and have the slopes already in front of you. Or the cross-country ski trail. Or the toboggan run. Or the lift that takes you all the way up to the top of the mountain. The car can remain in the car park for the whole holiday. The children are running down to the ski classes, the boys up to the KPark. And the feel-good descent is already waiting for you.

ARRIVE, SAY HELLO, GO SKIING

Some things can be so simple. Do not worry about transport to the mountain railway, good snow or first class food. In Kühtai, everything is right outside your doorstep – guaranteed. After all, your holiday is about relaxing, experiencing and maybe feeling at home when being that far away from known surroundings.

Mass tourism – no thanks. Your holiday is no chord work for us – we don't push you through dense queues leading to overcrowded slopes. We have enough lifts, enough slopes and enough rooms for you to be able to absolutely enjoy your holiday.

Welcome to the culinary paradise of Tyrol! On the cabins and the sunny hotel terraces: When it comes to the physical well-being, you are in good hands with us.

EVERYTHING IS DOUBLE! 1 SKI PASS – 2 SKIING REGIONS

Skiing in Kühtai and slope fun in Hochoetz make the skiing region of Kühtai-Hochoetz a must.

ONE-OF-A-KIND IN KÜHTAI

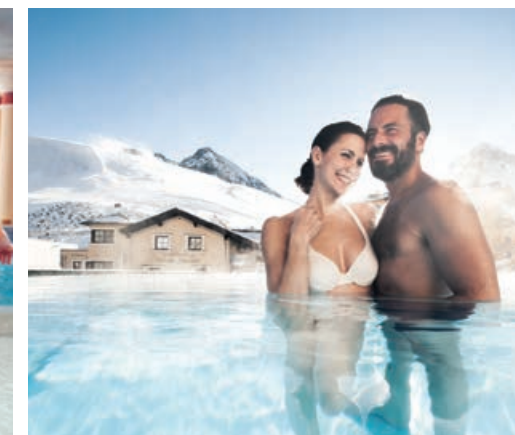

*****Superior – breathtakingly different ...*

The first and only ****superior winter resort in Kühtai, it was our aim to bring our high quality and standards up to the next level. The wholehearted investments of the last years in the quality of living, the quality of our rooms and suites, the expansion of the wellness and spa area, the complete opening of our reception area, lobby and bar and, finally, the fresh interpretation of our restaurant area are remarkable for a one-season hotel. We have succeeded in achieving international standard while still maintaining the familiar atmosphere of the house.

The feeling of being welcome – that is what you are going to sense once you made the first step inside our house. Run by a family, it feels like family. Comfy, warming, rustic, however; not alpine. In fact, perfectly cut down to pleasant colors and material that is lovely to the touch. We are service providers. We will get your ski pass for you, your equipment, your everything. All you need to do is enjoying your vacation and skiing right up to our front door with your skis or boards!

The Hotel Mooshaus sees itself as a holiday hotel for families and couples. It is our aim to be the first ****superior hotel at the top of the pass that is attracting attention not solely because of its geographical location. Take some of the strength that motivates us. Take some of the sensual inspirations that nature offers here.

Feel yourself and everything around you. Realize how good this feels ... just like the moss that enjoys its vital life thanks to all its interconnections.

Your GerberHotelsCard – Cashless payment with a discount on GerberSports and on meals at DreiSeen-Hütte, at Pizzeria da Bruno, at Hotel Mooshaus & Hotel Alpenrose as well as on our panorama terraces.

JAGDSCHLOSS INNSBRUCK-KÜHTAI

A courageous step into today

The Jagdschloss Innsbruck-Kühtai is a manorial hotel with aristocratic soul and Habsburg history whose new owners have succeeded in making a courageous step into the present times. In 2016, the hotel has been revitalized gently but determinedly and now surprises with interesting design ideas which celebrate and subtly contrast the hotel's history.

Day in, day out, **the sun terrace** next to the slope invites you to take a cozy break of skiing. As a perfect match, enjoy not just any ordinary but the imperial Kaiserschmarrn and other pastry treats by patissier Johann Köck.

The new castle bar is a true design gem. Après-Ski turns into Après-Sweet. It smells of silver fir and the fire crackles in the fireplace. In the evenings, the caste bar becomes the only gin and whisky bar in the surrounding area. Bartender Oliver Pugh who has been awarded the Best Classic Award with his bar in Nottingham is looking forward to welcoming new and old guests.

The popular gala dinner of Jagdschloss Innsbruck-Kühtai has a long-standing tradition. Headed by Johannes Kleinbichler, the finest meat fondues with sherry consommé, vegetarian fondues and other delicacies are on the menu. Guests of the restaurant

Prices/packages and further information can be found on our website:

can have dinner in one of the comfy princely rooms paneled in pine wood or on the spacious veranda.

Overnight guests have the choice between traditional and contemporary. The paneled princely rooms which are still furbished with pine wood paneling and furniture passed from princely ownership have not been changed. The count rooms on the upper floor provide a well-made cross-over of golden painted paneled ceilings, large-scale portraits of the Habsburgs and new interpretations of the princely interior. In the new Sissi rooms, a great tribute to the popular Austrian empress has been created with the portraits of Sissi and the cozy roof slopes. Get the real feel of magic.

The team of Jagdschloss Innsbruck-Kühtai is looking forward to meeting you.

ALL IN FAMILYHOTEL MORITZ

Maximum fun for the whole family

Max and Moritz will have a ball at the “All-inclusive Hotel Moritz” in Kühtai – on beautiful, azure-sky, sunny days, they can tumble about in the snow, go skiing, snowboarding, sledding, skating on their own natural ice rink and build snowmen to their heart’s delight. Soooooo much going on! From morning to night, Max & Moritz are spending time out and about. It’s a good thing they’re

staying all week long, that way they have a chance to try out everything on offer! For example, the super fantastic indoor pool with waterstream basin and slide, a separate baby pool with slide or the mini-club with children’s theatre. Max & Moritz have never been so well behaved – or in such a good mood – for such a long time.

SKIING ENJOYMENT RIGHT AT YOUR FRONT DOOR

The alpine inn “Sonne & Schnee” (“Sun & Snow”) with holiday apartments and rooms is located directly in the ski area at the 4-seater chairlift HochAlte and just across from the WiesBergBahn.

Begin your skiing day with a generous spread at our breakfast buffet, then buckle on your skis and ... off you go onto the lifts, whisked in just a few minutes from 2,020 m up to 2,520 m, above the clouds. The Ski Arena Kühtai starts right at your front door, permitting you to plunge into skiing enjoyments without a drive or even a walk to the lifts. From every ski run, you arrive back at the front door of the inn.

Our hotel is a very special experience for the young ones in Kühtai. Many different things are on offer, from the ski school to the ski kindergarten to the magic carpet – all of it custom designed for young families, and located right behind the Sonne & Schnee Inn – you never even have to cross the street.

Inside the inn is our own à la carte restaurant, a sun terrace stretches out directly in front of it with superb views over the slopes – ideal for a stopover at lunchtime. And after your sporting

day draws to a close, unwind in our relaxation zone: sauna, steam bath, cold room with natural snow and a quiet zone with deck chairs and views over Tyrol’s grandest peaks. Or else, a bit of activity, perhaps? For example billiards or complimentary Nintendo Wii™ Sport Resort? All the holiday apartments are completely equipped with kitchenette, fridge, microwave oven, SAT-TV, bathroom and balcony round out your comfort level. If you are staying in an apartment, you can select whether you would prefer to have a hotel breakfast or provide your own meals – whichever you prefer.

In the evenings Kühtai’s restaurants provides outstanding cuisine for your pleasure. Guests also love to visit the sledding and ski huts, snow bars, discotheques and the popular Tyrolean mountain hut’ evenings!

Give yourself a holiday right in the middle of a ski area; where other places stop, our enjoyments just begin – namely, at 2,020 m altitude. Take a vacation from your car – take a vacation from everyday stress! Welcome! The Haslwanter family and the Sonne & Schnee team look forward to greeting you.

Right at the ski school meeting place!

THE PIZZERIA IN KÜHTAI...

The taste of Italy at 2,020 m above sea level

Our Senior Bruno Gerber opened the pizzeria named after him last winter with lots of pizzazz, taste and overview. The pizzeria is located on the top of the pass, not far from Hotel Mooshaus. Old and young, guests and visitors, international and urban, meet there. What brings everybody together at Da Bruno is the "absolutely unique and at any rate best pizza on the mountain". From Margherita to Capricciosa, from Quattro formaggi to Salame ... the fragrance of crispy pizza dough blends with mozzarella, tomatoes, prosciutto, olives, oregano and many other tasty treats reminds you for a moment of Italy, the Adriatic ... long beaches ... Stop! Then we have winter and it is definitely more beautiful here by us than it is in Italy. But that's why we have our pizza chef from there. Vivacious in nature, masterly with the dough, and equipped with "the best pizza recipe you can have! From Mama ... :-)"

Hours of operation: open daily from 10:30 am to 11:00 pm., for an entire winter pizza season ... mmmmmhhh!

Your **GerberHotelsCard** – pay cashlessly with discounts at GerberSports and for dishes at DreiSeen restaurant, pizzeria da Bruno at Hotel Mooshaus & Hotel Alpenrose as well as at our panorama decks.

WINTER PLEASURE

**DISCOVER THE MOUNTAIN-
EERING VILLAGES OF
GRIES, SELLRAIN AND
ST. SIGMUND/PRAXMAR**

IN SELLRAINTAL

Accommodation in the villages of Sellraintal.

Experiences with nature, mountain solitude or adventure. In the villages of Sellraintal you will find the real, the authentic, the honest. Hotels, inns, apartments or holiday flats – not only in the midst of the diverse Alpine landscape, but also close to Kühtai, the highest ski resort of Austria, and also close to Innsbruck, the capital of the Alps.

★ **Sports activities and fun on the snow white slopes of thenatural park** – in the mountaineering villages Sellrain, Gries and St. Sigmund/Praxmar. An original valley with a lot of nature, an Alpine world within one's reach – ideal for ski touring, ice climbers, cross-country skiers, bobsleigh riders, snow-shoe and winter hikers. But of course also for skiing in the nearby Kühtai only a few minutes with the free ski bus

★ **Sellraintal – a ski tour jewel:** with more than 20 three-thousand-meter slopes, Sellraintal is an extraordinary ski-tour area- dusty powder snow, bright glacier ice; the first snowflakes hardly flutter over the mountain slopes well into spring, when it is green in the valley for a long time. From the beginning of winter to May, the Ski resorts in Sellrain are one of the most popular destinations for ski tours in Tyrol. In Praxmar you can extend your knowledge in Austria's first educational ski tour trail.
