KÜHTAI – A SUSTAINABLE RESORT

THANKS TO MANY INITIATIVES,
KÜHTAI KEEPS ITS ECOLOGICAL
FOOTPRINT AS SMALL AS POSSIBLE

CLEAN ELECTRICITY DIRECTLY FROM KÜHTAI

The nearby Sellrain-Silz hydroelectric power station supplies the winter sports resort of Kühtai with 100 % clean electricity and produces a total of around 13 % of Tyrol's electricity demand. For the entire local power requirement of the highest ski resort in Austria with all accommodations and railways only a small proportion, about half a percent, is needed.

A PHOTOVOLTAIC SYSTEM PROVIDES SUSTAINABLE ENERGY

The photovoltaic system on the "House of Tourism" produces the annual output of energy to power the "StartBahn" in the middle of the village during the winter.

SUSTAINABLE HEAT THROUGH BIOMASS

The district heating plant uses exclusively local biomass from a radius of 50 kilometers and thus replaces a fuel oil quantity of about 1,000,000 liters per year. The heat obtained is distributed to 90 % of all companies in Kühtai via a 3.5 km long pipe network in year-round operation. This continues to guarantee the high air quality of the training location Kühtai.

More information on the district heating plant at
www.biowaerme-kuehtai.at

HIGHEST CHARGING STATION IN TYROL

The charging station, which was built in cooperation with the utility company TIWAG, supplies electric vehicles with 11 kilowatts per hour at 4 charging stations at 2,020 m above sea level in the middle of the village.

In addition, many of the accommodations in Kühtai also offer their house guests their own charging station.

ARRIVAL BY PUBLIC TRANSPORT

Guests arriving by train and traveling from the Innsbruck train station to Kühtai can use the public bus connections or the ski bus to Kühtai free of charge. This means that you no longer need your own vehicle for a skiing holiday in Kühtai, as the paths from the hotel to the slopes and in the village can be easily reached by skis or on foot.

Start your next environmentally friendly excursion from Kühtai completely free of charge. For holders of the Welcome Card public transport in the entire Innsbruck region is included.

HAPPINESS AT 2020 M

ABOVE REALITY

Our Hotel Tyrol in the heart of Kühtai is also closely linked to its development. Early in 1957, the Härtings laid the foundation for the family hotel. Moni Härting and her team, above all her father Toni, run the hotel with a lot of cordiality in the third generation.

You will find everything your heart desires. From first-class culinary delights in our panorama restaurants and bars to the fine wellness area. Straight from the cozy bed to the ski slope - our location on the 3 Seen slope - is perfect. Spend the night in a comfort room - Alpine panorama view included!

JAGDSCHLOSS KÜHTAI & 3-SEENHAUS

The **Jagdschloss-Resort** – the new and surprising combination of the Habsburg's hunting lodge in Kühtai with the youngest offspring on site, the 3-Seenhaus, a pure timber construction with innovative and cosy design apartments.

THE JAGDSCHLOSS KÜHTAI – IMPERIAL & ROYAL.

You can immerse yourself in the flair of the imperial and royal monarchy here. When you wake up in the historical part in the Prince's room with its Swiss stone pine panelling, you feel like Archduke Leopold and Claudia von Medici themselves. If you prefer things to be more innovative, choose the new hip and cosy Sissi rooms under the roof in the Elisabeth wing. You will always be delighted to see how much feeling and emotion has been put into bringing the building back to life. Tradition meets inspiration and new design ideas contrast with historical flair. The cosy panelled rooms, delicious gourmet dinner, extensive breakfast buffet in the castle corridor and the new sauna area also offer everything you need to feel like royalty on holiday.

INNOVATIVE 4-STAR DESIGN APARTMENTS. COOL & HIP.

The 3-Seenhaus stands there free, in the spirit of the times and design conscious, right on the slopes and in charming contrast to its aristocratic family home, the Jagdschloss Kühtai. The 3-Seenhaus is the place to be for anyone who loves innovative architecture and intelligent design. The 3-Seenhaus apartments enchant with fragrant wood panelling, clever room layouts and creative solutions that radiate individuality and warmth at the same time. Almost all the cosy holiday apartments are south facing and feature a fireplace and/or their own loggia – ideal for anyone seeking relaxation and active holiday-makers, groups of friends, couples or families. Ski-in/Ski-out: the DreiSeen cable car starts right in front of the 3-Seenhaus and the KaiserBahn is just 100 m further. They both take you to Kühtai's most beautiful slopes.

The Ski Arena Kühtai starts right at your front door, permitting you to plunge into skiing enjoyments without a drive or even a walk to the lifts – it can't be nearer. From every ski run, you arrive back at the front door of the inn.

Our hotel is a very special experience for the young ones in Kühtai. Many different things are on offer, from the ski school to the ski kindergarten to the magic carpet – all of it custom designed

for young families, and located right behind the Sonne & Schnee Inn – you never even have to cross the street.

Inside the inn is our own à la carte restaurant, a sun terrace stretches out directly in front of it with superb views over the slopes – ideal for a stopover at lunchtime. And after your sporting day draws to a close, unwind in our relaxation zone: sauna, steambath, cold room with natural snow and a quiet zone with deck chairs and views over Tyrol's grandest peaks.

Or how about some active games? For example billiards or complimentary Nintendo Wii™ Sport Resort? All the holiday apartments are completely equipped with kitchenette, fridge, microwave oven, SAT-TV, and a bathroom and a balcony will round out your comfort level. Choose according to your wishes whether you prefer your accommodation with breakfast or without meals.
